SPORTING NOTE #5

Amendment to the Pirelli GT4 America Sporting Regulations

Please note the following amendments to the 2023 Pirelli GT4 America Sporting Regulations:

- Article 29.20 is amended to read as follows:

The starting pressure of the tires may be monitored, with random checks on both the pre-grid and grid, with a minimum pressure of 1.40 bar (subject to change per a Stewards bulletin). Any car failing these checks may remedy the situation before the car takes the start of the race.

- Article 42.26 is amended to read as follows:

Reserved for future use.

- Article 45.2 is amended to read as follows:

From the 5 (five) minute announcement (SR 45.6) until the end of the formation lap(s), tire pressures may not be checked and / or modified unless instructed to do so by a Series official. Violators may be reported to the Stewards.
