TRG has requested a change of driver for their GT4 No. 17 car. Due to force majeure, Todd Hetherington is not available to drive at this event, and the team has nominated Robert Orcutt to replace him.

They have proposed Jim Rappaport as Driver 1, and Robert Orcutt as Driver 2.

The Stewards approve this change of drivers, provided that all necessary administrative checks with the series have been completed by Mr. Orcutt.
