To: All TCA Competitors  
Re: Tire Allocations for TCA Cars at Road America

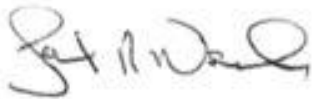

Stewards Bulletin 5  
Date: 8/19/22  
Time: 08:25

---

Following supply chain disruptions, each TCA competitor will be restricted to a total of 4 new dry tires, between Qualifying, Race 1 and Race 2.

All other dry tires fitted in any of these sessions must be dry tires that have been registered and used at a previous Series event.

This only affects the Road America event.
