

**From:** The Stewards  
**To:** BGB Motorsport No. 420  
Driver: Collingwood & Tecce

**Decision No:** GT4-03  
**Date:** Friday, September 23, 2022  
**Time:** 14:20

**Team:** BGB Motorsports

**Competition:** Sebring

**Facts:** The team has requested a waiver for the No. 420 to compete at this event without the required lambda sensor in place in the intake manifold.

**Supporting Documents:** RQ-Sebring-No. 6 – BGB Motorsports – Technical Waiver Request

**Decision:** The stewards grant a one-event waiver for the No. 420 to compete without the series-required intake manifold lambda sensor. The stewards stipulate that the No. 420 comply with all other required systems, and pass all required technical inspections.

  
Robert Davis (chairman)

  
John Walsh

  
Peter Cunningham

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.
