Re: Driver order Matos/Horrell

Stewards Decision No. GT4-01
Date: September 22, 2022
Time: 07:28:56

The competitor has requested (Document RQ-Sebring -01) an exception to the qualifying regulations, as an accommodation to driver Tim Horrell. Mr. Horrell is a mobility-impaired driver and has requested to be the starting driver in both GT4 Sprint-X races. As would fit the regulations, Mr. Horrell would also qualify the car in both qualifying sessions.

The Stewards, having considered the circumstances and the issues, grant the request to allow Mr. Horrell to qualify the car in both qualifying sessions, and to be the starting driver in both Race 1 and Race 2.
