From: The Stewards  
To: Drivers Representative – Archangel Motorsports No. 069  
TRG No. 009

Decision No: GT4-01  
Date: 3/31/23  
Time: 09:55

---

The Technical Manager has reported that two competitors took late deliver of chassis for this event, as were unable to secure the series-required lambda sensor and harness in time for the Sonoma event. Upon his recommendation, the Stewards are granting a one event waiver of the regulation requiring this equipment in all competition cars.
