The Competitor has requested a waiver, under Sporting Regulation Article 13.1, to allow one driver to compete in both segments of each GT4 competition.

Having held a hearing with the Team Representative, Driver and Race Director, and considering the facts presented, the Stewards have determined that this is a matter of force majeure, and grant the request with the following conditions:

The single driver must set times in both Qualifying segments.

The competitor's mandatory pit stop must be no less than 95 seconds

The driver must exit the car, and step to the cold side of the pit wall before returning to the car to drive the following stint.
