## SPORTING NOTE #3

### Amendment to the Pirelli GT4 America Sporting Regulations

For the 2023 NOLA Motorsports Park event only, Article 29.13 is amended to read as follows:

Each car competing in the Series has an allocation of 1 (one) joker tire per Event which can be used to replace any tire which has been damaged or is otherwise unusable. The use of this joker tire will be authorized by Pirelli. If no Joker tire is requested during an Event, this joker tire is considered to have lapsed and cannot be carried over to the next Event. ~~Teams may be granted additional joker tires but are subject to penalty as determined by the Stewards.~~

An additional joker tire will be allocated for Race 1. If the joker tire is used during the race, the wheel and tire assembly that were replaced must be presented to scrutineering immediately upon removal and is subject to approval by the scrutineers.

An additional joker tire will be allocated for Race 2. If the joker tire is used during the race, the wheel and tire assembly that were replaced must be presented to scrutineering immediately upon removal and is subject to approval by the scrutineers.
