| Re: Schedule Change – GT4 Race 1 and Race 2 | Time: 17:50 |

Inclement weather through the area has caused significant schedule delays to the Saturday schedule. The Organizer has proposed and the Stewards have conferred, and agreed to the following changes to the GT4 America race schedule for the remainder of the event. The Stewards consider this a case of force majeure.

GT4 America Race 1 will be held on Sunday, 30 April 2023 with a start scheduled for 11:30 local time.

GT4 America Race 2 will be held at a following event, to be determined by the Organizer.

For GT4 America Race 1, Driver No. 1 must start the race. For GT4 America Race 2, once scheduled, Driver No. 2 must start the race.
