Re: Driver Change

Stewards Decision No: GT4-02
Date: 19 May 2023
Time: 15:10

The Organizers received a driver-change request from Smooge Racing for the No. 67 car and passed the request to the Stewards. The Organizer did verify that the nominated replacement driver – Jesse Love – possessed the required license.

After considering the request, the Stewards determine that this is a matter of force majeure and approve the request.
