Re: Extrication Exercise

Stewards Bulletin No. 1
Date: 9 June 2023
Time: 20:45

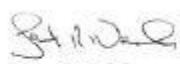

At the request of the Organizer and, in accordance with Sporting Regulations Article 33.23, the Stewards have selected the following team to participate in the scheduled extrication exercise at 5:45pm on Thursday, June 15, 2023.

Nitro Motorsports No. 80

The team must make the No. 80 car available at the Infield Care Center, at the base of the Race Control building. Should there be inclement weather, the series may opt to conduct the exercise under the canopy in your paddock space. In that event, you should expect to make room for 15-20 members of the SRO America and VIR Safety Teams.

The team must also provide a driver or suitable team member, outfitted with a compliant helmet w/ head & neck device, for the exercise.

The Organizer has scheduled this exercise for 30 minutes.
