Re: Driver Change Waiver

Decision No: GT4-02
Date: 21 Sept 2023
Time: 11:00

The Competitor (TechSport Racing) has requested a waiver, under Sporting Regulation Article 13.1, to allow one driver, Eric Powell, to compete in both segments of each GT4 America competition for the entirety of the Event. The competitor's second driver is unable to participate, due to a recently discovered issue.

Having consulted with the Team Representative and the Race Director, and considering the facts presented, the Stewards have determined that this is a matter of force majeure, and grant the request with the following conditions: The single Driver must set times in both Qualifying segments.

The Competitor's mandatory pit stop must be no less than 87 seconds The Driver must exit the car, and step to the cold side of the pit wall before returning to the car
