## SPORTING NOTE #7

### Amendment to the Pirelli GT4 America Sporting Regulations

- Article 29.20 is amended to read as follows:

The starting pressure of the tires may be monitored, with random checks on both the pre-grid and grid, with a minimum pressure of **1.30** bar (subject to change per a Stewards bulletin). Any car failing these checks may remedy the situation before the car takes the start of the race.

- Article 45.2 is amended to read as follows:

From the 5 (five) minute announcement (SR 45.4 & 45.6) until the end of the formation lap(s), tire pressures may not be checked or modified unless instructed to do so by a Series Official. Violators may be reported to the Stewards.

Signed by the Pirelli GT4 America Sporting Board:

Greg Gill  
President

Brian Till  
Race Director

Jack Baldwin  
Series Director

Jacque Groom  
Sporting Director

John Walsh  
Chairman of the Stewards

Joe Legan  
Technical

Claude Surmont
