Subject: Stewards Bulletin No. 10 – GT4 SprintX Expedited Tech Procedures

Date: 10 July 2020

The Stewards have noted the short time between GT4 SprintX Qualifying and the start of GT4 Sprint Race 1, and have given the Technical Delegate and the Pit Lane Chief authorization to implement exceptional procedures for cars that are participating in GT4 Sprint Race 1.

Teams affected should make Tech and Pit Lane staff aware of their need for expedited procedures, post-qualifying.
