

To: All Competitors

Subject: Minimum Pit Stop Time (All Classes) Important

Date: 8/27/2020

Time: 9:12 AM

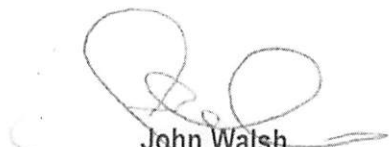

The minimum time for the mandatory GTWCA driver change pit stop, published as 81 seconds in the GTWCA Driver Briefing, has been **updated to 86 seconds**. This is calculated from the pit in loop to the pit exit loop.

The GTSC race will be checkered at the 40th minute

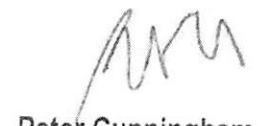

The GTWCA the pit window will open at the **45th minute** and close at the **55th minute** of the race.

The minimum time for the mandatory **GT4SprintX driver pit stop is 91 seconds**. This is calculated from the pit in loop to the pit exit loop.

Pit exit Protocol: Drivers are expected to keep 4 wheels below the solid yellow pit exit blend line and yield to any cars on the racecourse when crossing the white dashed line
