The Stewards notify all competitors and all officials of the following:

There have been five versions of the GT-4 Sprint X Entry List, after careful review Version 5 (V5) is correct. There are 4 driver order changes from Version 4 to Version 5. We have confirmed the driver change request forms for these 4 teams were submitted before the close of the administrative deadline and approved.

We apologize for the multiple versions of entries, and the delay in posting the approved driver order changes. The process will be updated and improved for the next event.
