Subject: Stewards Bulletin No. 13 – GT4 SprintX Race 3 Starting Driver Procedure - Revision
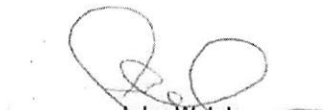

Date: 8/30/20   **Time: 09:10**

At the request of the Organizers, the Stewards wish to clarify the matter of the GT4 SprintX Race 3 Grid and starting driver order.

The GT4 SprintX Race 3 Grid will be formed as described on page 19 of the GT4 Drivers Briefing.

Due to continuing misunderstandings about the starting driver order for the "make-up" races, and in order to give teams a final answer about matter, teams may nominate either of their drivers as Driver 1 and Driver 2 for this race.

Teams must make their starting driver nomination on the SRO GT4 app ("the Shout") by 10:00am, or start the listed driver on the issued grid.
