The competitor – Stephen Cameron Racing – made a request of the Race Director to change car chassis', due to ongoing electrical problems with one chassis. This request was made before the start of Practice 2.

The team asks to use chassis # 1863 as SprintX car #19, and chassis # 1869 as Sprint car #119.

The Stewards reviewed the request and granted permission for the change.

The competitor is reminded to coordinate with Timing regarding the correct transponder numbers in each car, and to correctly and visibly mark each chassis with the correct car number.
