

To: All Competitors

Subject: Barometric Pressure and Official Track Distance

Date: 9/30/2020

Time: 2:17 PM

The Stewards take advise all competitors to take note of the following:

The Technical Manager has declared the official barometric pressure for the Event is 982mB.

The Official Track Distance has been declared as 2.439 miles / 3.925 km. This is at variance from the FIA-listed track distance.
