SPORTING NOTE #1

**VALID:
2021 SEASON**

Amendment to the GT4 Sporting Regulations

Please note the following amendment to the 2021 Pirelli GT4 America Sporting Regulations:

CURRENT:

10.7 No more than one (1) derogation will be given to any Driver or Driver line-up competing in any round of the Pirelli GT4 America SprintX series. There are no limits on the number of upgrades to a line-up. Drivers with derogations may receive additional restrictions which will be decided by the SRO Sporting Board. The performance of any Drivers who have received a derogation will be monitored by the SRO Sporting Board. Derogations may be removed at any time without notice.

AMENDED:

10.7 More than one (1) derogation may be given to any Driver or Driver line-up competing in any round of the Pirelli GT4 America SprintX series with special permission from the Sporting Board. There are no limits on the number of upgrades to a line-up. Drivers with derogations may receive additional restrictions and/or time penalties which will be decided by the SRO Sporting Board. The performance of any Drivers who have received a derogation will be monitored by the SRO Sporting Board. Derogations may be removed at any time without notice.
