

From: The Stewards
To: Competitors: Rearden Racing GTA #191
and NolaSport GT4 #7
LA Honda World Racing TCA #77
VGMC TCA #99

Decision No: GTA/GT4/TCA No. 1

Date: 3/5/21
Time: 12:30

The Technical Department reported to the Stewards that several competitors presented cars for pre-race technical inspection with recently-expired fire bottles. The Competitors have requested a waiver to allow the teams to participate with the expired fire bottles due to conditions of force majeure. The required units are not currently available due to manufacturing and shipping problems related to the current pandemic.

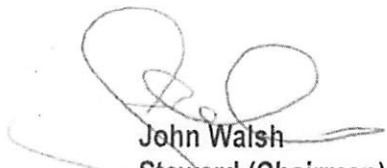

Teams: Rearden Racing GTA #191
NolaSport GT4 #7
LA Honda World Racing TCA #77
VGMC TCA #99

Facts: The Series Technical Department has confirmed with each of the manufacturers that current-dated fire bottles are not available at this time, due significant manufacturing and shipping delays.

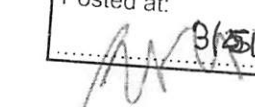

Supporting Documents: SRO America Technical Department Waiver Request TWR No. 1

Decision: The Stewards, having consider the request from the competitors and the report from the Series Technical Department, grant the waiver requests, but solely for the Sonoma weekend.
