

**From:** The Stewards  
**To:** Competitor Murillo Racing GT4 #43  
**Driver:**

**Decision No:** GT4-01  
**Date:** 4/30/21  
**Time:** 08:15

The series Technical Manager forwarded to the Stewards a request from Murillo Racing, regarding their GT4 #43 entry, driven by Aurora Straus and Jeff Mosing. Due to force majeure, the homologated front springs for the car are not currently available from the manufacturer. This lack of availability was confirmed by the Technical Manager, and the manufacturer delivered a written statement affirming this information.

The Technical Manager and his staff reviewed the alternate springs proposed by the competitor and judged them appropriate and compliant.

The request for a waiver is for only this weekend's competitions, as the homologated springs from the manufacturer will be available for the next series weekend at VIR.

The Stewards, having considered the request and all supplied materials, grant a one event waiver for the Murillo #43 GT4 car to use the alternate springs presented to the series Technical Department.

**Supporting Documents:** Waiver request from Murillo Racing – GT4-1A; Response from PMNA – GT4-1-B; Statement from Porsche Germany – GT4-1C; SRO Tech Manager report – GT4-1D

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.

  
**John Walsh**  
Steward (Chairman)

  
**Robert Davis**  
Steward

  
**Peter Cunningham**
