The Stewards, having received a request from Notlad Racing by RS1 to enter a replacement chassis to compete in GT4 Race 2.

The original #00 chassis – chassis #047 - was destroyed in a single-car wreck during GT4 Race 1. The team proposes to use chassis #063 for Race 2.

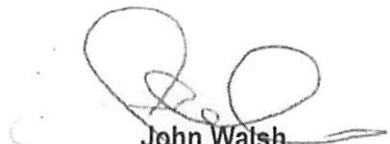

After due consideration, the Stewards grant permission for the Notlad team to use the replacement chassis for GT4 Race 2, with the following conditions:

The replacement chassis must be approved by the Technical Department.

The team must coordinate transponder & GPS data details with Timing, to Timing's satisfaction.

The #00 car must start at the rear of the field for Race 2.

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.
