Due to exceptional circumstances, the Team and Series have tendered and the Stewards have accepted the entry of Car #81 – Kelly-Moss Road & Race, driven by Andrew Davis – as a GT 4 Competitor. The Stewards consider this as appropriate, due to force majeure.

Competitors are reminded of Sporting Regulations Article 8.2 – from the start of the penultimate Competition, any Driver or Team not having previously participated in Series Competition will not score points, and will be considered invisible in terms of points attribution.
