Subject: Stewards Bulletin No. 07 – GT4 Sprint X Pre-Grid Waiver

Date: 2 October 2021 Time: 09:05

Due to time constraints between sessions, the Stewards are waving the regulations related to the closing of Pre-Grid for GT4 Sprint X Races 1 and 2. The Series Technical Department will make their best effort to move GT4 cars thru GT America post-qualifying inspections, and those cars arriving to GT4 Sprint X Pre-Grid after scheduled closing times will not be penalized.
