

**From:** The Stewards  
**To:** Competitor The Racers Group, TRG, 66  
Driver: John Graham (crew member)

**Decision No:** GT-4 02  
**Date:** 4/15/22  
**Time:** 10:21

**Team:** The Racers Group (TRG) car #66

**Competition:** Sonoma

**Session:** Friday per event

**Facts:** A member of TRG crew was observed driving a race car on the circuit access road at 7:47 before the permitted start time of 8:01 am. After being addressed by a Sr. Series official, the crew member was rude and continued with the engine running to the paddock.

Per Appendix 1 and the Logistics Briefing notes, racing engines are not permitted to start before 8:01, and racing cars are not permitted on the circuits access road for testing.

**Supporting Documents:** Appendix 1, Logistic Briefing notes, and a report from B. Hughes.

**Decision:** The Stewards fine the team \$250 for the engine noise violation, and \$250 for driving a race car on the access road. The total fine is \$500.

The team is reminded to ensure all team members understand Appendix 1 and the logistics notes. Un-Sportsman like behavior towards series officials will result in revocation of this crew members hard card if the behavior happens again.

**The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.**
