The Organizers have asked that the rule regarding tire use in Qualifying sessions be clarified.

For GT World Challenge America and GT4 SprintX classes the following will apply:

Changing tires between Q1 and Q2 is permitted (Sporting Regulations Article 42.30).

During either Q1 and Q2, changing from slicks to wets, or wets to slicks, for changing weather conditions is permitted without penalty.

During either Q1 and Q2, changing from slicks to slicks or wets to wets will remove all times previously set prior to the change in both Q1 and Q2. (Sporting Regulations Article 42.31)

For GT America and TC America classes, changing from slicks to wets, or wets to slicks, for changing weather conditions is permitted without penalty.
